

PROFESSIONAL SKILLS INVENTORY (LPN)

Please provide an “X” under the number that best represents your proficiency in each skill or patient care situation.

Levels of Proficiency (scale):

1. Unable to perform this skill
2. Able to perform skill but require assistance/supervision
3. Able to perform skill independently/without supervision
4. Proficient and can assist others

Please Note: This form is interactive. You can type your answers in the fields below. However, you must sign your name at the bottom of every page. Please fax completed forms to: 204-885-9002
